About Belongside Families

Belongside Families is a family-led not-for-profit organisation. We support parents and carers of children with disability, developmental delay, Autism, rare and genetic conditions.

We provide free programs, so families can feel more confident, informed and supported raising their child.

As part of this we run free workshops throughout the year. Each session blends evidence-informed approaches with the lived experience of trained parent facilitators.

About this pack

We've put together ready-to-use materials to make sharing the event with the families in your network easy. You'll find:

Subject Line: Free Online Workshops to support your child's transition to school

Is your child transitioning to school soon? Navigating the move to primary school can feel exciting — and overwhelming. These two free, practical sessions delivered by Belongside Families are designed to help you create a positive introduction for your child and build strong partnerships with educators right from the start.

All About Me

 Monday, 16 November | 8:00pm (NSW Time)

Learn how to create a simple, strengths-based one-page profile to help educators and support staff get to know your child — not just their diagnosis. You'll leave with a ready-to-share resource that captures your child's unique personality, needs and what helps them thrive.

Partnering with Your Child's School

 Wednesday, 25 November | 8:00pm (NSW Time)

Learn practical strategies to build a strong, positive relationship with your child's school. We'll explore understanding school roles, how to connect with the right people for support, and what adjustments you can ask for to help your child feel confident and supported.
